## ABOUT US

# SHIVA UNIVERSAL

## Since 1997

From the Transportation industry to air conditioning and commercial refrigeration to Indian retail companies, with more than two and half decades of dedicated and rigorous service, Shiva Universal has gained a plethora of experience while sharing and signing deals with the giants! We believe in forging a tradition of innovation precisely with the aim to solve forging problems concerning the manufacturing sector today! Thanks to the depth and width of experience gained while delivering state-of-the-art products, We feel pretty confident to position ourselves as one of the leaders of the industry!

KEY POINT: QUALITY, SATISFACTION & SERVICE

### VISION

We at SHIVA Universal strive hard to present a masterpiece that is fuelled by the dedication and inspired by innovation to deliver exactly what you need, domestic or commercial, to help you to settle for nothing less than the best.

### OUR GOAL

1. Work as a team to provide customers with more suitable options in high-quality products at competitive pricing.
2. To create unique alchemy of outstanding products, operational excellence, and compelling marketing.
3. Customizing and manufacturing path breaking products that are ushering in a new era of competition.
4. Providing a one-stop solution to every problem that may hit our clients during the entire production and logistical phase of production

### OUR MISSION

To get global recognition & provide our customers with a highly sophisticated product, with zilch defects, and on-time delivery.

We believe in work environments where our employees can meet their potential and thrive in an atmosphere of excellence. We seek to be the industry standard in service to customers.
